RS PRO PP Storage Bin Storage Container, 345mm x 400mm, White

RS Stock No.: 877-6821

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These 50-litre durable plastic containers from our trusted and highly reliable own brand RS PRO are an essential storage solution that can be used to store a wide range of materials. RS PRO plastic containers feature a clip-on plastic lid to provide an airtight seal to keep materials safely contained. These high-quality containers are also stackable, with or without lids, allowing you to save space and keep them neatly organised when not in use.
