

FEATURES

- Waterproof and weatherproof
- Durable
- Resistant to solvents and dilute acids
- Flexible with good compression
- Performs under a wide temperature range

RS PRO Black Edging strip, 20m x 6 mm x 9mm

RS Stock No.: 837-2117

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS Pro a high-quality extruded EPDM (ethylene propylene diene monomer) sponge rubber sealing strip designed for use as door seal or window seal. When compressed the air chamber that is contained in the seal profile can fill large openings even if they are uneven. This EPDM rubber door seal strip has a self-adhesive strip on the back making it easy to apply.

General Specifications
