### 3" Buffing Accessory Pack

---

PCL's 3" Buffing Accessory Pack is ideal for use with the APT902 when installed with a speed regulator.

Buffing Accessory Pack contains two different grades of sponge pad, a lambswool pad and a spare 3" backing pad.

- Velcro backing pad allows simple removal and attachment of buffing pads
- High grade sponge and lambswool pads for efficient buffing
- Felt backed buffing pads for easy transfer to backing pad
