RS Pro Round Replacement Hammer Face

Product Details

Soft Faced Hammers

Soft faced hammers with which powerful blows may be struck without damage to materials, e.g. polished and treated surfaces during panel and equipment assembly

All sizes have cellulosed ash handles

Supplied fitted with two screw-on Nylon faces

Serrations in the chrome-plated zinc head prevent the faces from loosening in use

The Nylon face is highly water resistant

Will not embrittle, and will withstand harsh hammering treatment. The other is a grey soft PVC face which is very resilient and shock absorbent for use on more delicate and fragile parts

Specifications:

Head Shape	Round
Face Material	PVC
Head Diameter	32mm
