RS Pro 19-inch Blanking Panel, Grey, Steel

RS Stock No: **774-3729**

Product Details

RS Pro 19 Inch blanking panel in grey colour, is made of steel. The fully adjustable vertical mounting rails allow for precise configuration of the equipment. It meets EIA310-E type A and IEC-60297-2 standards.

Features and Benefits

- The wall cabinet will support loads up to 50kg (load will vary depending on wall construction)
- Additional depth can be obtained by installation of our extension kits
- Reversible doors permit left or right hand installation
- Cable openings are provided on the top and bottom panels, plastic snap-in panels cover these slots and can be easily removed
- Ventilation slots on the side panels and an opening on the top of the enclosure for ventilation
- Mounts directly to the wall via four removable brackets, there is a single 19-in mounting rail built-in to the front frame
- Lockable doors and internally secured panels
