

FEATURES

- Glass clear transparency
- Excellent abrasion and corrosion properties
- Good flexibility
- EC compliant for food applications
- Suitable for use with alcohol, petrol, oils, greases and solvents
- Highly resistant to a wide range of acids and alkalis
- Manufactured from cadmium and silicone-free materials using a special low toxic

RS PRO PVC Flexible Tubing, Transparent, 16mm External Diameter, 25m Long, 144mm Bend Radius, Alcohol, Grease, Oil,

RS Stock No.: 797-366

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS Pro clear PVC hose is suitable for a wide range of applications such as for low-pressure food and general industrial based environments. The hose is manufactured from the highest quality, low-toxic materials to give excellent clarity, flexibility and durability over a wide temperature range. The highly flexible hose supports use in both open and tight spaces and with excellent corrosion and abrasion properties, this PVC hose is a durable and reliable tool in any application

General Specifications

Material	PVC
Colour	Transparent
Reinforced	No
Application	Alcohol, Grease, Oil, Petrol, Solvent, General industrial applications; Scientific; Pharmaceutical; Medical

Mechanical Specifications

Inner Diameter	10mm
Outer Diameter	16mm
Length	25m
Bend Radius	114mm
Safety Factor	3:1

Operation Environment Specifications

Minimum Operating Temperature	-15°C
Maximum Operating Temperature	+60°C
Maximum Working Pressure	4bar

Approvals

Compliance/Certifications

RoHS compliant
