

### GLINDER E3048

The WORKSafe® Glinder features extendable temple length and temple inclination for a better fit. The vented soft-cushioned browguard helps absorb impact and channel sweat away from the eyes, providing extra comfort.

- Wraparound frame maximises peripheral vision and protection
- Dual density injected anti-slip skull-grip temples
- Soft rubber universal-fit nose pads
- 3-stage extendable temple length with 3-point adjustable inclination
- Vented soft-cushioned browguard and temple increase aeration and minimise fogging
- Tested to EN166:2001 and complies with SS473:2011 standards
