RS PRO DIN Rail Enclosures

RS Stock No.: 2383982

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Four module slot mask with holes for end plugs ZDPLUG 5,08. Recommended in situations where some connections in the connector are used. Plugs allow multiple reconfiguration of holes, eliminating the need for additional tools and giving an aesthetic appearance. Slot mask designed for ZD1008, ZD1012 enclosures.
