## RS PRO Steel Circlip Pliers

RS Stock No.: 182-436

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Introducing adjustable circlip pliers from our trusted and reliable own brand RS PRO, a unique type of pliers with interchangeable heads that can be used to install and remove external and internal circlips from a range of appliances. These RS PRO circlip pliers have a tough steel construction for a long and durable tool life. The handles on the RS PRO circlip pliers include PVC coated sleeves for enhanced grip and control.

The pliers fit internal ring sizes "through 1" (6.4mm through 25.4mm) and external ring sizes 1/8" through 1" (7mm through 48mm).
