RS PRO Steel Circlip Pliers

RS Stock No.: 182-9982

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the circlip pliers set from our trusted and reliable own brand RS PRO, a versatile set consisting of internal and external circlip pliers ideal for installing and removing circlips from a range of appliances. These long-lasting RS PRO circlip pliers are made with tough wearing chrome vanadium steel that includes a phosphate finish, providing corrosion resistance properties and long life. The handles on the RS PRO circlip pliers include PVC coated sleeves for enhanced grip and control.
