- Can be used with a tap wrench or power tool
- Each piece is labelled in the convenient case

RS PRO HSS M12 Left Handed Thread Tap Set

RS Stock No.: 668-1113

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the RS PRO left-handed thread hand tap set. This high-quality set features all the essential pieces of equipment and accessories needed to successfully clean or cut new threads on fasteners, holes and much more. The HSS (High-Speed Steel) material makes it easier to cut harder materials with precision and efficiency, so this set is ideal for the professional craftsman or general engineering and automotive applications.
