

Datasheet

RS Pro 3m Male XLR3 to Female XLR3 Audio Video Cable Assembly

RS Stock No: **548-8966**

Product Details

RS Pro audio video cable has a male XLR3 connector at one end and female XLR3 connector at the other end. This 3 m long cable is suitable for use with microphones and a variety of other professional audio/video applications. The high quality double lap screen cable ensures superior noise rejection performance whilst maintaining maximum flexibility. Each lead is terminated with a 3-pole XLR plug with silver plated contacts and a 3-pole XLR socket with gold plated contacts. It allows a large number of colour coded combinations.

Features and Benefits

- Double lap screen cable
- Superior noise rejection
- Silver and gold plated contacts
