## RS PRO 3.5 mm Chassis Mount Mono Jack Socket

RS Stock No.: 106-874

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

Brought to you by RS PRO, this enclosed chassis socket is robust and reliable. With a plate mounting bush that has an earth contact connected to it, the socket ensures a safe and reliable mounting. As well as a robust enclosed casing, the socket has solder tabs for secure termination, meaning this jack connector can be fitting securely into a device.
