- Shrouded switch with cover

RS PRO 2.5m 6 Socket Type E - French Extension Lead, 230V ac

RS Stock No.: 755-3964

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Brought to you by RS Pro, a range of industrial extension leads. The RCD protection provided by these extensions makes them a convenient and useful device within industrial and manual work places. Factory machines which could potentially be hazardous without protection from surges or over voltage are fully protected from this outcome. All models are highly reliable and excellent quality.
