RS Stock No.: 912-5410

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

A robust and tough socket adaptor enabling the use of 1/4in sockets with 3/8in square drive tools and socket wrenches.  
Constructed from Chrome Vanadium Steel combining excellent strength properties with anti-rust and corrosion protection and machined to provide a firm and secure grip on the sockets preventing wobble and socket slippage when in use.
