

D - Pressure elements

Part no.:: 313759

Product description: 0330 D 025 W/HC

Characteristic	Value / Characteristic / Information
By-pass	no by-pass
Customer protection	without custom. protection
Element material	Stainl. steel wire mesh
Element Type	D - Pressure elements
Filterfeinheit	25 µm
Further characteristics elem.	no further details
sealing material	Perbunan
Sealing material	Perbunan
Size
