RS Pro 1250g Round Chrome Plated Zinc Mallet With Replaceable Face

Features:

Soft Faced Hammers

- Soft faced hammers with which powerful blows may be struck without damage to materials, e.g. polished and treated surfaces during panel and equipment assembly
- All sizes have cellulosed ash handles
- Supplied fitted with two screw-on Nylon faces
- Serrations in the chrome- plated zinc head prevent the faces from loosening in use
- The Nylon face is highly water resistant
- Will not embrittle, and will withstand harsh hammering treatment. The other is a grey soft PVC face which is very resilient and shock absorbent for use on more delicate and fragile parts
