**Description:** HD15MALE/ MALE RGB VGA Cable w/3.5mm Audio-70cm  
Length: 2M/3M/5M/10M/15M/20M/30M

**Model** : ATZ VGA15M+AUDIOxxMRGB (xx=Length:2/3/5/10/15/20/30)

**Description:** HD15MALE/ MALE RGB VGA Cable w/3.5mm Audio-70cm  
Length: 2M/3M/5M/10M/15M/20M/30M

---

## Features:

- Premium SVGA/VGA monitor cable features built-in 3.5mm stereo plugs, for extending audio as well as video.
- Constructed from mini-coax (RGB) and paired video wire construction for superior signal quality.
- Nickel plated connectors and gold plated copper contacts ensure excellent conductivity.
- Double shielding (foil and braid) provides maximum EMI/RFI protection.
- Ferrite cores fitted both ends to act as large inductance at high frequencies, so the core will suppress current spikes in the cables. Think of it as a "shock absorber" for very short spikes.
- Both high density DB15 male connectors are molded and have integral strain relief to ensure they last a long time.
- Superior molded with foil-shielding for maximum EMI/RFI protection.
- 
- Overall cable Length: 2M/3M/5M/10M/15M/20M/30M
- Audio Pigtail Length(both sides): 70 cm
