

• **CLB45-UCG:** Single USB Power Supply, 5v, 1Amp - 45mm Conec2 Module

The Conec2 CLB45-UCG is a 45mm snap-in AV Module featuring USB Charger to the front and screw terminals to the rear.

Simply snaps into place in the Conec2 (45mm) Faceplate range.

Featuring spring-loaded cover for the USB input, plus green LED on the front of the panel to indicate active charging; the CLB45-UCG provides 5v, 1A power, ideal for charging the iPad, iPhone, iPod, Kindle, smartphones, tablets and other handheld devices via USB.

Fitted into a Modular Faceplate from the Conec2 product range, this USB Charging Module provides a useful and discreet charging point for commercial applications such as office, demo room, exhibition stands and retail points, as well as domestic applications such as kitchen, home study, media/games room, cinema room, etc.

**Features:**

- Conec2 Single USB Charging Point
- 5v 1 Amp supply to charge smartphones, tablets, e-readers and other hand-held devices
- Sprung USB cover and green LED indicator to the front panel
- Screw Terminals to the rear
- Complies with latest charging standards (BS EN 62684:2010) for use with data-enabled mobile phones
- Simply snaps into place in Conec2 (45mm) Faceplates
- Wide range of AV Connector modules available
