Datasheet

Harness Plug/Socket Kit

Features

- preassembled crimp terminal contact with cable
- used for Hirose connector housing
- cable length: 300mm, both crimp terminal contact
- Easily assemble for connectors and harness without crimp tool

Common specification

Cable length : 300 mm

Current Rating : 1A , 3 A

Voltage Rating : 250V

Wire Colour : Black, White, Red, Green, Yellow, Blue
