

FEATURES

- Modular or in-line mounting
- Self-relieving diaphragm design
- Pressure adjustment locking key, tamper resistant pressure setting
- Tee handle

RS PRO Diaphragm Regulator

RS Stock No.: 2351238

Product Description

Part No.	Port Size
2351238	G1/2"

Features

- Modular or in-line mounting
- Self-relieving diaphragm design
- Pressure adjustment locking key, tamper resistant pressure setting
- Tee handle

General Specifications

Ambient / media temperature	+4°C to +79°C (+40°F to +175°F)
Inlet pressure	21 bar maximum
Outlet pressure	Adjustable up to 8.6 bar
Panel mounting	52 mm (2 1/16") hole required
Working medium	Compressed air
Dimensions	87 x 142 x 40 mm

Materials

Head	Die-cast zinc
Dome	Nylon and aluminium
Knob	Acetal
Seals	Nitrile
Valve	Brass
Valve cap	Nylon
