RS PRO Wall Plugs

RS Stock No.: See Below Table

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the range of RS PRO Wall Plugs, a high-quality fastener solution designed to ensure that screws that are driven into walls have a secure fixing and adequate grip. Each fastener is made from plastic, making them malleable and flexible, while still providing a secure grip inside the fixing hole.

Applications:

- DIY
- Mounting heavy items onto walls
- Building work and construction
