

FEATURES

- Manual drain
- 5 micron filtration
- Non relieving

RS PRO

Filter / Regulator Manual Drain

RS Stock No.: 2351110

Product Description

Part No.	Port Size	Flow Rate
2351110	1/4"	1165 l/min

Features

- Manual drain
- 5 micron filtration
- Non relieving

General Specifications

Maximum working pressure	10 bar
Working temperature	+5°C to +60°C
Filter precision	5 micron
Maximum inlet pressure	15 bar
Adjustable pressure range	0.5 to 8.5 bar

Materials

Body	Aluminium
Bowl	Polycarbonate
