

Datasheet

**Type E - French Red 9 Gang DC Power Socket
2.5m Cable, 16A, 230 V ac
Stock Number: 755-3977**

Description

1U 9 discriminated sockets (red) power distribution panel with power indicator PDU allow securized power distribution for all types of electrical, electronical, data systems devices etc.

Specifications

- Socket type : NFC61-314 (socket 2), 2P+T
- Socket quantity : 9
- Cable specification : Cable HO5VVF 3G 1.5 with DIN 49441 16 Plug, 2.5M
- Function : power indicator
- Rating voltage : 230VAC 50/60Hz
- Max. Power : 16A, 3680W
- Product size : LxWxH = 482.6 x 44.4 x 46.5 mm
- Vertical and horizontal mounting
- RoHS
