

## FEATURES

- Coating process doesn't involve any toxic materials
- less expensive than zinc-nickel plating
- Highly extends the lifespan of steel products
- Moderate corrosion resistance
- Recyclable

## RS PRO, M3 Pan Head, 4mm Steel Pozidriv Bright Zinc Plated

RS Stock No.: 908-7659

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

**Product Description**

From the trusted RS PRO brand, these pan headed machine screws are ideal for use in electronic machinery. The high-quality machine screws are fully threaded and can be used in pre-tapped holes or used with conforming nuts and washers in through holes. The screws are bright zinc plated and offer a degree of environmental resistance, allowing them to be used in most indoor circumstances.
