# RS PRO 16 piece Masonry Twist Drill Bit Set, 4mm to 22mm

RS Stock No.: 512-2420

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The 16 piece set of masonry drill bits from RS PRO features drill bits in sizes ranging from 4mm to 22mm that are ideal for use in a wide range of electrical installation and maintenance work. These high quality drill bits are compatible with power tools such as hammer action drills, ensuring quick and efficient drilling in a variety of masonry materials such as concrete and brick. The RS PRO 16 piece masonry drill bit set is supplied with a durable storage tool roll case with easy access, ensuring the bits are organised and protected when not in use.
