RS PRO 2M USB 2.0 A – Micro B Cable White – 5 Pack

RS Stock No: 266-8458

RS Professionally Approved Products bring to you, professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO USB version 2.0 A male to micro-B male cable has a white PVC jacket and connector hoods. The cable flex has copper wire conductors and drain wire, with an aluminium braid, foil shielding and has an outer diameter of 4mm.

The connectors are nickel and have a strain relief to help avoid the cable splitting around the edge of the boot.

USB micro-B ports are commonly found on portable devices such as phones, cameras and portable hard disks.
