RS PRO 3 piece Metal Cone Cutter Set, 3mm to 30mm

RS Stock No.: 221-557

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO offers this exceptional cone cutting set made from HSS for high-performance, offering a range of whole diameters, giving you maximum versatility. Capable of cutting holes from 3 mm to 30 mm through three different cone cutters. These High-Speed Steel (HSS) cutters are constructed from a single piece of high-speed steel, thus reducing breaking and blunting under heat or stress. The tapered design makes it easier to enlarge holes if requirements change for example.
