RS PRO 2 Shelf Aluminium Folding Trolley, 670 x 470mm, 50kg Load

RS Stock No.: 157-474

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO folding trolley with 2 shelves constructed from aluminium. This trolley is ideal for transporting items in factories, warehouses and much more. The folding design means it can be conveniently stored away when not in use. With a 50 kg load capacity, two fixed and two swivel rubber wheels, this RS PRO trolley can be used across a wide range of applications.
