

FEATURES

- Easy to install and release
- Beaded design keeps wires from shifting to slipping
- Suitable for a multitude of uses including binding components or cable
- Easy to thread

RS PRO Natural Nylon Cable Tie, 143mm x 1.8 mm

RS Stock No.: 479-588

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The design of a cable tie includes a head which provides the slot for the tape to be pulled through, to make a loop. The cable can be pulled through the slot until the preferred loop is achieved and then the excess cable can be cut off. When threaded through the slot, the teeth or beads of the cable form a lock which can't be pulled back through. These beaded nylon cable ties should be an essential part of every toolkit. With the RS PRO wide range, there are a variety of sizes and lengths to suit all your requirements

General Specifications

Type	Non-Releasable
Colour	Natural
Material	Nylon 66
Application	Automotive industry, Transportation Aerospace Industry Oil and Gas industry, Cable management, Home/DIY, Garden
Fire Behaviour	Flame Retardant
Quantity	100

Mechanical Specifications

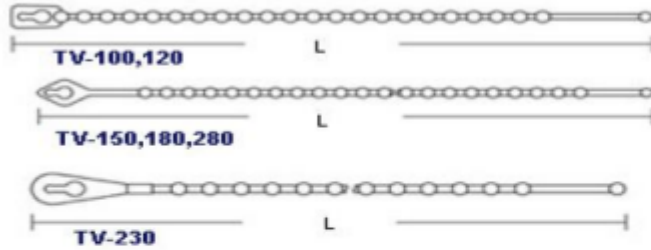

Length	143mm
Width	1.8mm
Tensile Strength	49N
Maximum Bundle Strength	35mm

Approvals

Standards Met	UL94V-2
