RS PRO Black Slotted Panel Trunking - Closed Slot, W50 mm x D50mm, L2m, PVC

RS Stock No.: 301-2129

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO closed slot industrial trunking comes in black PVC, giving that clean modern finish to any work area. The pre-punched flat back allows you to organise your cables fixing them to the area the trunking will be applied to. Featuring a clip-on lid, allowing for a simple yet effective installation and secure cable organisation, whilst also allowing for quick and easy cable access. Our trunking is a box shape with a maximum operating temperature of 85°C, ideal for all of your cable and accessories management needs whilst providing that perfect finish
