RS PRO 160mm Diagonal Cutters

RS Stock No.: 161-170

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These high-quality wire cutters from our own RS PRO brand are a handy addition to any electrician's toolbox, and suitable for VDE applications. The ergonomically designed bow handle ensures a comfortable grip over long periods of use, and is PVC covered for a sure grip. It also has a finger guard to prevent pinching while operating.
