

Features

- Rated currents 25A
- General purpose three phase-four line filtering
- Voltage rating 300 and 520VAC for world wide acceptance

RS PRO EMI FILTER

RSStock No.:2378762, 2378763

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

- For photovoltaic systems and industrial applications
- Three-phase motor drives
- UPS/SMPS
- Industrial automation equipment

General Specifications

Protection against interference of voltage. Used as a main input filter. YX91 filters can keep the system reliable by restrain the conducted interference. Customized products according to customer's requirements

Mechanical Specifications

	·
Size	200X127X80mm (L X W X H)
Weight	3.4kgs

Electrical Specifications

FUHYX'Jc`HJ[Y'AUI"	300/520VAC
