## RS PRO 5mtr VGA M – M Cable – Black – 5 Pack

RS Stock No.: 2668473

RS Professionally Approved Products bring to you, professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Our RS PRO 5 metre monitor cable comes with two high density 15 pin male connectors which is commonly known as a VGA or SVGA connector. It has all pins connected and ferrites at each end of the cable which help to cut out interference. The jacket and the connector hoods are made of black PVC.

The SVGA connector is one of the most common video connectors found on computers. SVGA is an analogue signal which is slowly being replaced by digital cables such as HDMI and DisplayPort.
