6 Lock Steel Economy Multipurpose Cable Lockout

RS Stock No.: 862-5199

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This cable lockout from our own RS PRO brand has been ergonomically designed to fit around gate valves or electrical switches to prevent access during lockout procedures. It is cost effective, easy to use device that is as efficient as steel chain, however, it is much lighter and more visible.
