

INSTANT HAND SANITIZER

Description

A fast-acting disinfectant that kills 99.9% germs, bacteria and fungi. Contains alcohol and antimicrobial agent, highly effective against a broad spectrum of Gram negative and Gram-positive bacteria. Convenient to use when water and soap are not available. Simply apply on hand and rub thoroughly until dry. Provides persistent activity for up to 6 hours. Leaves no sticky or tacky residue. Formulated with moisturizer and Aloe Vera for skin conditioning and pleasant, winter cool fragrance for freshness all the time.

AREA OF USED:

- Homes
- Offices
- Hospitals / Clinics
- Hotels / Restaurants / Food establishments
- Light industries
- Public areas

BENEFITS

- Veridical; Fungicidal and Bactericidal
- Fast acting. No rinsing required.
- Ideal for travelling, public places or at home.
- Non-toxic, low potential for skin irritation and allergic reaction

DIRECTION OF USE

Apply directly on both hands. Rub thoroughly until dry.

Cautions:
