RS PRO M10 Index Plunger, 51mm Long

RS Stock No.: 478-359

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description ATTRIBUTE

These spring-loaded hand retractable plungers from our own RS PRO brand are designed to prevent any change in locking position due to lateral force. Pulling up on the handle retracts the plunger pin into the body.
