RS PRO ALUMINIUM SAFETY STRAIGHT EDGE 500 MM

RS Stock No: 254-5747

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

A versatile aluminium straight edge, great for scoring and cutting. Designed with a foam-rubber back to prevent slips.

The unique profile keeps fingers in the recessed area, offering excellent protection from injury.

Benefits

- Straight, accurate marking and cutting.
- Protect fingers from injury.
- Non-slip backing guarantees safe, secure working.
- Lightweight and easy to handle.
- Designed with a bevelled edge for unobstructed vision.
- Engineered for a sleek look and long, corrosion-free life.

Applications

The ultimate straight edge for use by careful professionals and serious DIY-ers. Ideal for:

- Scoring or cutting sheet glass.
- Cutting and hanging wallpaper.
- Cutting and laying vinyl flooring.
- Use in leathercraft, handicraft and other hobbies.
