

3M™ H-700 Series Hard Hat

Experience Extended Comfort with the 3M H-700 Series Hard Hat

The 3M™ H-700 Series Hard Hat is engineered to help provide extended comfort, head protection, balance and stability. The lightweight H-700 series features a unique top of hat design with a short brim in both a vented and non-vented version. A 4-point ratchet or pinlock suspension system with height adjustment delivers the balance and stability you need in demanding work environments.

Solutions for Head and Face Protection

3M™ H-700 Series Hard Hat is comfortable, tough and lightweight. Designed with a low profile for stability and balance, the H-700 series helps provide ultimate comfort and protection from small falling objects striking the top of the hard hat. These hard hats feature accessory slots to accommodate 3M's cap-mounted earmuffs, headgear, faceshields and welding helmets. The H-700 series hard hat (non-vented) meets the requirements of ANSI/ISEA Z89.1-2009 Type I, Class C, G and E. The H-700 vented hard hat meets the requirements of ANSI/ISEA Z89.1 Type I, Class C.

The 3M H-700 Series Hard Hat Offers:

- Comfortable, 4-point pinlock or ratchet suspension with height adjustment
- Replaceable brow pad
- Vented hard hat option
- Customized logo options
- ANSI/ISEA compliant when worn in the forward and reverse donning positions
- Short brim for better upward visibility
- Slots for accessory attachment
- Optional 6-point strap available

H-700 Series Hard Hat Applications May Include:

- Heavy and Light Industrial
- Construction Work
- Oil and Gas
- Road Construction
- Forestry
- Mining
