RS PRO 25m 4 Socket Type E - French Extension Reel, IP44

RS Stock No.: 481-349

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO 25 m black extension reel which features a fitted circuit breaker. This high-quality extension reel is mounted in an open frame with a cable guide for sturdy and assured cable management and a carry handle making it ideal for many areas. This heavy-duty extension reel is ideal for most applications, whether indoor, outdoor or in the workshop. It is ideal for giving added mobility to power tools in mobile applications, such as heavy-duty power drills or electric hedge trimmers.
