Product Description

This exceptional plier set from RS PRO consists of four high-quality pieces from Chrome Nickel High Carbon Steel. The plier set is great for those users who require a quality set from professionals (Mechanics) to general DIY'er as they are essential tools to have handy in the workplace. Working similar to standard pliers, however, circlip pliers feature specially shaped tips which can grip circlips so they can be removed or installed safely. The set is kept within a PVC tool tray designed for easy transportation and organisation.
