RS PRO 5 piece Multi-Material Twist Drill Bit Set, 1 1/2in to 2 1/2in

RS Stock No.: 408-7966

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The 5 piece double ended centre drill set from RS PRO is a high quality set of right-hand cutting centre drill bits including sizes BS1 to BS5. The drill bits are manufactured from HSS (high speed steel) ensuring excellent strength and durability, allowing you to drill with confidence. The drill bits feature a straight shaft and 60° countersink angle, for clean and precise drilling. These high quality centre drill bits are ideal for drilling in a wide range of materials and can be used in various DIY and maintenance applications. The RS PRO 5 piece HSS double ended centre drill set is also supplied in a handy storage box, ensuring they are protected and easy to access.
