RS PRO 1mtr Mini DisplayPort Male to DisplayPort Male Cable - White

Stock number: 186-3059

The RSPRO 1 metre male to male mini DisplayPort to DisplayPort cable has a white PVC jack and an outer diameter of 4.8mm. The connectors have a gold flash covering to prevent corrosion.

The connector hoods are also made of white PVC and have a strain relief to prevent the jacket splitting around the boot.

DisplayPort, commonly known as DP is a digital high definition video connection which also can carries audio. Due to its bandwidth, DisplayPort cables are normally up to 5 metres long.

DisplayPort cables are very simple to use and are plug and play. Care must be taken when unplugging them to make sure that the latches have been released before pulling out the connector.
