RS PRO 4 Drawer Storage Unit, PP, 334mm x 391mm x 197mm, Black

RS Stock No.: 838-6541

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

When you're travelling or on-site, you need somewhere safe and convenient to keep your tools and equipment. This drawer storage unit from the RS PRO range makes an excellent workshop companion, with four drawers contained within a neat and durable thermoplastic body. With dimensions of 391 mm (W), 334 mm (H) and 197 mm (D) it's not only roomy, but the transparent fronts mean you can easily see what's inside.

The lightweight polypropylene (PP) construction makes it easy to transport this unit, and the swivel wheels and integral folding handle means it's highly manoeuvrable too. Internal anti-migration bars keep items neatly separated and a drawer locking system adds to security.
