Product Description

Our RS PRO 2 metre DisplayPort to HDMI cable comes with a latching, 20 pin male connector.

The connector hoods are made from black PVC and come with dust caps to protect the connectors. On top of the connector is the latch release and a strain relief on the end of the hood to support the cable.

HDMI is possibly the most common display connection on the market which can be found on devices ranging from PC's, Bluray players, games consoles and more.
