RS PRO Bench Vice, 0.76kg

RS Stock No.: 849-6238

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From the trusted RS PRO brand, this universal work holder is designed to clamp many different shapes of workpiece in place. It is a multi-purpose bench support tool ideal for holding odd or bespoke objects and components. This handy little piece of equipment features 8 steel pints that can be placed anywhere, allowing it to hold various shapes. With a broad and adjustable base, it can be placed on any workbench and is ideally suited to accommodate odd shapes and for bending or forming wire.
