- Supplied with wall and ceiling bracket

RS PRO Air Hose Blue Polyurethane 12mm x 10m HR Series Series

RS Stock No.: 788-3739

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Brought to you by RS Pro, a range of professional polyurethane braid air hoses, suitable for various applications. The highlight of these hoses would be the handy automatic hose reel, which would be a god send in environments where a particular length is needed, or situations where hoses won't have to be gathered up after use. All models are highly reliable and excellent quality.
