1 WELCOME!

LET'S SET UP YOUR PRO-MOTE
Before you connect your PRO-MOTE, you need to do a few things.

- You'll need to set up an account on **www.easylogcloud.com** so that you can view your devices remotely.

- Download the **EasyLog Cloud App** on your phone or tablet.
- Have your WiFi network details to hand.

Not an Apple or Android user? Visit w**ww.easylogcloud.com** and click on Support for alternative set up methods.

GET IT ON
**Google** play

Download on the
**App Store**

2 Remove mounting bracket

3 Remove battery cover
(do not refit this until set up is complete)

4 Connect probe/s

5 Install AA batteries

6 In the EasyLog Cloud App, go to the menu, select Set up Device and follow the on-screen instructions

7 Once PRO-MOTE is connected to your WiFi network replace the battery cover and install PRO-MOTE in its place of application

& YOU'RE READY TO GO!

View and change device settings using the App or at www.easylogcloud.com

08/12/2017   Issue 1

Important Safety Information

WARNING: Failure to follow these safety instructions could result in fire, electrical shock, other injury or damage.

Repairing or modifying
Never attempt to repair or modify this product. Dismantling may cause damage that is not covered under the warranty. Servicing should only be provided by an approved supplier. If the product has been punctured or seriously damaged, do not use it and return it to an approved supplier.

Using connectors and ports
Never force a connector into a port. Check for obstruction in the port; make sure that the connector matches the port and that you have positioned the connector correctly in relation to the port. If the connector and port do not join with reasonable ease, they probably do not match and should not be used.
Power supply
Only use 1.5V AA batteries or a genuine PRO-MOTE power adapter to power your PRO-MOTE data logger.

Disposal and recycling
You must dispose of this product and batteries according to relevant laws and regulations. This product contains electronic components and therefore must be disposed of separately from household waste.

Caution:
Risk of explosion if battery is replaced by an incorrect type. Dispose of used batteries according to the instructions.
