RS PRO USB Female to USB Female Network Adapter

RS Stock No.: 495-5336

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This network adapter can be conveniently attached to a male USB connector to enable it to connect with another male USB connector. The adapter is just 38.6 mm x 18.2 mm x 10.4 mm in size, making it an easily portable option. It features a PVC hood with PE (polyethylene) insulation that offers excellent durability and corrosion resistance.
