RS PRO Cable Trunking Coupler Galvanised Steel Coupling

RS Stock No.: 669-9502

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO Cable trunking coupler is made of galvanised steel. The straight coupler is suitable for joining two short lengths of trunking. The material used in cable trunking and fitting complies with BS EN 10142 (formerly known as BS 2989), ensuring a no-flake, no-fracture product.
